

AGRAWAN HERITAGE UNIVERSITY

(Established under the U.P. State Private University Act and Approved by UGC, New Delhi)

ACADEMIC COLLABORATION

Agrawan Heritage University, Agra, we are dedicated to advancing academic excellence, innovation, and global engagement through strategic collaborations. Our approach centers on formal Memoranda of Understanding (MoUs) with leading national and international institutions, industries, and research organizations. These collaborations create a robust framework for joint research, knowledge exchange, and skill development, thereby enriching our academic environment and positioning our institution at the forefront of higher education.

Core Focus Areas

- Student and Faculty Exchange Programs: Empowering participants with diverse educational experiences and fostering cross-cultural academic mobility.
- Collaborative Research and Publications: Promoting interdisciplinary research, co-authoring scholarly articles, and innovation-led projects.
- Joint Organization of Workshops, Seminars, and Conferences: Facilitating professional networking, thought leadership, and continuous learning.
- Internship and Industrial Training: Providing students with practical, industry-relevant experiences to enhance employability.
- Curriculum Development and Innovation: Ensuring alignment of academic curricula with evolving industry standards and global trends.
- Skill Development and Capacity Building: Enabling students and faculty to acquire new competencies essential for addressing emerging challenges.

Strategic Partner Engagement

We proudly collaborate with the following organizations, each of which is instrumental to our mission:

S. No.	Partner Institution/Organization	Nature of Collaboration	Year of Signing
1	Indian Academy of Science and Technology Society, Agra	Joint academic programs, seminars, research promotion	2024
2	Genie Publications Pvt. Ltd., Agra	Publication support, editorial collaborations, writing workshops	2024
3	Genixcare Pharmaceuticals, Agra	Industrial exposure, product formulation training, internships	2024
4	DKMS Foundation (NGO)	Health programs, student volunteering, and awareness initiatives	2025
5	Evertuch Healthcare/Pharmaceutical Company	Research collaboration, industrial training, and student placement	2025

Collaborative Commitment

Through these longstanding alliances, Agrawan Heritage University is continually strengthening academic linkages, driving transformative education, and contributing to sustainable development in the higher education sector. Our collaborations are grounded in transparent communication, shared vision, and measurable outcomes, ensuring long-term benefits for all stakeholders.

This format and language will enhance the professionalism and impact of your academic collaboration communications, fostering trust and enthusiasm with current and prospective
