

# AGRAWAN HERITAGE UNIVERSITY

## RECENT EVENTS AND ACHIEVEMENTS

Agrawan Heritage University is proud to share some of its recent milestones and activities that highlight the institution's commitment to academic excellence and community engagement.

### **Recent Events**

- The University hosted a successful International Conference on Innovative Education and Research in September 2025, bringing together scholars, industry experts, and students to discuss emerging trends and collaborative opportunities.
- A vibrant Cultural Fest and DJ Night Mela was organized in October 2025, featuring performances, competitions, and a special guest appearance by Mr. Rahul Jyakar Arya, promoting campus unity and student creativity.
- The Department of Pharmacy conducted a National Level Workshop on Advances in Pharmacology, enhancing practical knowledge and research skills among students and faculty.

### **Achievements**

- Agrawan Heritage University has been recognized for its rapid growth in research output and academic collaborations with leading universities and industries.
- The University successfully launched an e-library platform providing online access to thousands of journals, books, and digital resources, greatly enhancing the research environment.
- Several students and faculty members received prestigious awards for innovation, publication, and community service in academic forums during 2025.
- The placement cell reported significant improvements in campus recruitment drives, securing offers from top companies in engineering, management, and pharmaceutical sectors.
